REGULATIONS FOR THE APPLICATION OF THE STUDY CONTROL OF THE CMS LEVELLING COURSE
for the 2021-2022 academic year
May 26, 2021

The management of the Swiss Federal Institute of Technology Lausanne

Having regard to the Ordinance on the Supervision of Studies Leading to the Bachelor's and Master's Degrees at EPFL of 30 June 20151, having regard to the study plan for the upgrading course,

Art. 1 - Scope of application

This regulation sets the rules for the application of the study control for the MAN course for the year 2022.

Art. 2 - Training methods

1. the MAN is organized and taught by the CMS.

2. It lasts for the spring semester and starts and ends one week later than the bachelor/master courses.

3. It consists of courses in mathematics and physics.

4. Its branches form a block of branches for a total of 30 coefficients. The coefficients of the branches are indicated in the study plan.

Art. 3 - Control of studies

1. Branches are reviewed during the summer session.

2. In addition to the examination, the course syllabus may include tests of knowledge during the semester which are included in the final grade of the subject.

Art. 4 - Successful completion of the MAN

The MAN examination is passed when the student has earned a grade point average of 4.00 or higher in the block of branches.

On behalf of the EPFL management

The President, M. Vetterli
Academic Vice President, J. S. Hesthaven

Lausanne, May 26, 2021
